

The seal of the American University of Health Sciences is a circular emblem with a scalloped border. Inside the border, the words "AMERICAN UNIVERSITY OF HEALTH SCIENCES" are written in a circular path. At the top, the word "perceptum" is written in a small arc. At the bottom, the word "valeo" is written in a small arc, and the Roman numeral "MCMXCIV" is written in a larger arc. The center of the seal features a shield with a cross. On the left side of the cross is a caduceus, and on the right side is a hand holding a book. The background of the entire page is a light blue watercolor wash.

AMERICAN UNIVERSITY OF HEALTH SCIENCES

THE JOURNEY, THE MISSION, THE OFFERINGS...

Commencement 29TH CEREMONY

Friday, July 12, 2024
5:00 PM - 7:00 PM

Cottonwood Church
4505 Katella Avenue, Los Alamitos, 90720

AMERICAN UNIVERSITY
of HEALTH SCIENCES

*"Blessed is the man who finds wisdom,
the man who gains understanding,
for He is more profitable than silver
and yields better returns than gold.
He is more precious than rubies;
nothing you desire can compare with Him.
Long life is in His right hand;
in His left hand are riches and honor.
His ways are pleasant ways,
and all His paths are peace.
He is a tree of life to those who embrace Him;
Those who lay hold of Him will be blessed."*

Proverbs 3:13-18

MESSAGE FROM THE PRESIDENT

July 12, 2024

Dear Graduates of the American University of Health Sciences,

Congratulations! Today marks a significant milestone in your lives as you stand at the threshold of new beginnings, having completed your studies in the health sciences. It is a moment of immense pride and joy, not just for you and your families, but for all of us at AUHS.

Throughout your educational journey you have shown remarkable dedication, resilience, and a commitment to excellence. The challenges you have faced, including unprecedented global events, have only strengthened your resolve and prepared you for the demanding and rewarding careers that lie ahead – you are ready to make a difference in the lives of individuals and communities.

As you move forward, remember that your journey of learning does not end here. Continue to seek knowledge, stay curious, and embrace the opportunities for growth that come your way. Your commitment to lifelong learning will not only benefit your career but will also enhance the lives of those you serve.

I would like to take this opportunity to express my deepest gratitude to the faculty and staff who have supported and guided you throughout your time at AUHS. Their dedication to your education and success has been unwavering, and their influence will remain with you as you embark on your professional journeys.

To your families and loved ones, thank you for your unwavering support and encouragement to our graduates which have been a cornerstone of their success.

Graduates, as you step into this new chapter of your lives, carry with you the values and mission of AUHS. Be advocates for health, champions of justice, and leaders who inspire positive change. The world needs your talents, your compassion, and your commitment to the well-being of others.

On behalf of the Board of Trustees, Senior Executive Leadership, Academic Leadership, Staff, and Faculty, CONGRATULATIONS once again on this remarkable achievement.

Go forth with confidence, knowing that you are well-prepared to make a lasting impact in the world. May God continue to bless you as you go forward.

With warmest regards,

A handwritten signature in dark ink, appearing to read "Carol Ryan". The signature is fluid and cursive, written in a professional style.

Carol Ryan, PhD
President & Chief Executive Officer
American University of Health Sciences

AMERICAN UNIVERSITY OF HEALTH SCIENCES

HISTORY OF AUHS

The American University of Health Sciences is a private-for-profit, minority owned, minority serving, Christian-Based University originally founded in 1994 by Kim Dang, Hon DMe and Pastor Gregory Johnson, Hon DMe. It is a postsecondary education institution established to prepare and equip students for life careers in the field of health education and to produce competent allied health professionals engaged to provide healthcare services locally and globally. AUHS is institutionally accredited by the WASC Senior College and University Commission, Transnational Association of Christian Colleges and Schools, and programmatically accredited by Commission on Collegiate Nursing Education, and Accreditation Council for Pharmacy Education; and approved by the Bureau for Private Postsecondary Education and the California Board of Registered Nursing.

MISSION OF AUHS

The American University of Health Sciences, a private Christian-Based minority-serving university of higher education, welcomes students of diverse backgrounds and prepares them to make a positive impact on society through the provision of exceptional quality patient-centered care within the context of a global perspective of the human condition. This mission is accomplished through the creation of a strong and caring academic environment where excellence, diversity, and the development of entire person—mind, body, and spirit—is addressed and where teaching/learning, research, service, and scholarship is valued and supported. Inspired by a strong belief in God and the Christian values of love and caring for humankind, and of justice and respect, the university's core values include holistic approach to education, promotion of the intellectual, analytical and critical thinking abilities of its students, evidence-based knowledge, service to our fellow man and a commitment to life-long learning.

YEARS, AWARDS, ACHIEVEMENTS, ACCREDITATIONS & APPROVALS

AUHS MILESTONES

1994-2024

YEARS, AWARDS, ACHIEVEMENTS, ACCREDITATIONS & APPROVALS

FOUNDERS & OWNERS

Pastor Gregory A. Johnson, Hon DMe

Pastor Gregory Johnson is the founding pastor of the Church of Love located in Long Beach, California. Pastor Johnson is responsible for the continued oversight and development of fellowship churches and ministries particularly addressing the homelessness, and health care needs of the congregation and surrounding communities that it serves. In 2005, Pastor Johnson was ordained as minister leading the development/creation of formation and ministries including New Directions Christian Fellowship Church, and Los Angeles Denomination Diabetes Education and Research (LADDER) – a coalition of churches within the Los Angeles and Long Beach

areas. Pastor Johnson designed and created outreach initiatives with other churches in developing health care policies focusing on the community health care needs impacting minority populations.

Pastor Johnson earned his Bachelor of Science degree in Biblical Studies from Indiana Wesleyan University, and a Master of Science degree in Health Administration from St. Luke School of Medicine in Liberia. His Liberal Arts degree was earned at University of Maryland in Baltimore.

As co-founder of American University of Health Sciences, a faith-based educational institution, he's a leader's "leader" devoting himself to the betterment of man through the spiritual and educational processes. Pastor Johnson held the Chief Operating Officer position of AUHS and is a member of the Board of Trustees. His management training, earned from Dale Carnegie, has been demonstrated in his leadership in developing and establishing churches and ministries focused in serving the poor through his faith in God.

Kim Dang-Johnson, Hon DMe

Dr. Dang is the owner & founder of American University of Health Sciences (AUHS) in 1994, formerly known as American Institute of Health Sciences. She served as the CEO/President from 1994 to 2010. Dr. Dang developed, managed, and established AUHS operational processes in the areas of student services, registrar, admissions, financial aid, career services, institution publications, and finance. Under her leadership, AUHS obtained ABHES national accreditation in 1997, degree granting institution status from BPPE in 2001, ACICS national accreditation in 2003, Board of Registered Nursing (BRN) 2006, and CCNE programmatic nursing accreditation in 2011.

In 1990, Dr. Dang served as Executive Director for the non-profit Society for Educational and Economic Development S.E.E.D. collaborating with public schools in the City of Santa Ana to create pathways for inner city High School youths to complete their education thru after school program in the Arts and Entrepreneurship. Dr. Dang established the "Underground Art Gallery" at S.E.E.D. in the historic Santora Building in the heart of Santa Ana as a safe afterschool haven to work, display, and promote the sale of art work created by the inner-city youths. Dr. Dang established a network of donors to develop scholarships for inner-city youth to assist them with their pursuit of higher education.

In 2002, Dr. Dang was given an Honorary Doctorate in Medical Education by St. Luke School of Medicine in Liberia. In 2016, Dr. Dang was honored with Humanitarian Award by the Council of Black Nurses for her many works with the underserved communities in the U.S. and abroad.

In 2014-2015, Dr. Dang collaborated with CHIPAA in the development of "Health in the Park", a free health fair promoting health and wellness initiatives dealing with healthcare disparities in the Cambodian community.

Dr. Dang is the Founder and President of AUHS Foundation.

Benediction.....	Pastor Gregory Johnson
Recessional.....	Platform Party, Faculty, and Graduates

The audience is asked to remain standing until the platform party, faculty, and graduates have recessed from the Cottonwood Hall. The audience is also asked to remain seated in the Cottonwood Hall for the return of graduates for group picture taking.

Forever, we celebrate the achievements of our graduates, for God has made it all possible

“For I know the plans I have for you,’ declares the Lord, ‘plans to prosper you and not to harm you, plans to give you a hope and a future. ’”

— Jeremiah 29:11.

COMMENCEMENT SPEAKER

THE JOURNEY, THE MISSION, THE OFFERINGS...

DAVID E. ROGERS, M.D.

ORTHOPEDIC SPINE SURGEON

Dr. David E. Rogers is an esteemed fellowship trained Orthopedic Spine Surgeon, born in Detroit, Michigan. Dr. Rogers graduated from both Harvard College and Harvard Medical School with a distinguished career spanning over 20 years in medical private practice based in Los Angeles County. His credentials include Orthopedic Surgery Residency and Orthopedic Spine Surgery Fellowships at UCLA. Dr. Rogers completed a second Orthopedic Spine Surgery Fellowship at Saint John's Health Center in Santa Monica California under the mentorship of Dr. Rick Delamarter.

He is board certified by the American Board of Orthopaedic Surgery, specializing in assessing and treating many different types of spinal conditions and injuries demonstrating his expertise and commitment to high standards in his field.

Dr. Rogers is known for his comprehensive approach to spinal conditions and injuries, offering recommendations for nonoperative treatments as well as performing a variety of surgical procedures. His surgical expertise covers cervical, lumbar spine surgeries, and thoracic spine surgeries, alongside procedures for chronic pain management such as electrical stimulation.

Beyond his clinical practice, Dr. Rogers has held significant leadership roles at various hospitals. At Glendale Memorial Hospital, he has served as Chair of the Division of Surgery, Vice Chief of Staff, and Chief of Staff. Currently, he remains actively involved in the hospital's Medical Executive Committee at Glendale Memorial Hospital. He also serves as the Chief of Surgery at LA Downtown Medical Center and holds the role of medical director at several outpatient surgery centers, underscoring his influence in hospital administration.

Dr. Rogers is dedicated to medical education and mentorship, exemplified by serving as an instructor/preceptor and mentor for numerous medical students. His commitment to community service extends internationally, notably to Armenia, where he travels multiple times annually to perform volunteer spine surgeries in Yerevan highlighting his advocacy for both local and global healthcare advancement.

Dr. David Rogers exemplifies a multifaceted career as a skilled surgeon, influential leader in healthcare institutions, passionate educator, and committed advocate for community service, making significant contributions to the field of orthopedic spine surgery and beyond.

DESCRIPTIONS OF SPECIAL AWARDS

COMMUNITY SERVICE AWARD

Founded in 2004, American University of Health Sciences Foundation is a 501(c)3 nonprofit, data-driven community-based research organization that was created to relieve the suffering of the poor, distressed, and underprivileged through research and education in health sciences: nursing, pharmaceuticals, and biotechnology.

American University of Health Sciences (AUHS) Foundation recognizes those graduates who have completed more than the required 100 hours of community services through their active participation at the annual events sponsored by AUHS Foundation. Throughout the years of completing and exceeding the 100 community service hours as students, these awardees have demonstrated sincere compassion and commitment to serving the poor, and homeless, bringing to life this mission statement of AUHS Foundation... "help improve education and healthcare opportunities for underrepresented populations from medically underserved communities, with a high percentage of the homeless, the youth, and groups from low-socio-economic backgrounds".

As graduates, they are honored for their compassion for others and significant contributions to the community that the AUHS Foundation serves. These recipients are charged to further the mission of AUHS Foundation and to continue their community service, and significant charitable or philanthropic contributions as reflected in a variety of activities, programs, and initiatives which would benefit and meet the needs of the communities that they will serve in the future. Recipient(s) of this award must have completed the highest number of community service hours exceeding the required 100 hours.

PRESIDENT'S AWARD

The President's Award is a special award for a graduate who is "Living the AUHS Mission and Embodying Student Leadership Excellence". Since its founding as a Christian-based university, American University of Health Sciences, has enjoyed a rich history promoting Christian Values, Academic Performance, Cultural Competence, Social Responsibility, and Critical Thinking. This graduate possesses the competencies necessary to provide excellent care and service within their domain with a thorough foundation in science, social/behavioral, leadership, and interpersonal knowledge and skills. This graduate exemplifies the core values and upholds the guiding principles and philosophies of AUHS.

ALPHA ALPHA SIGMA CHAPTER CHAPTER 592 OF SIGMA THETA TAU HONOR SOCIETY - AUHS CHAPTER

On the recommendation of the Sigma Board of Directors, and by the power vested in Dr. Jose Alejandro, the chartering officer, announced that AUHS chapter will be known as the **Alpha Alpha Sigma Chapter, chapter number 592 of Sigma**. On May 1, 2021, American University of Health Sciences was approved to become a Sigma Chapter, and representing this new chapter is Dr. Marilyn Uvero.

Sigma has been recognizing and celebrating excellence in scholarship, leadership, and service within nursing and midwifery. The Society Sigma members are leaders at all levels of the healthcare industry and only extends its membership to students in baccalaureate or graduate level programs who have demonstrated superior academic achievement, academic integrity, and professional leadership potential, and must be a graduating senior in the nursing program with a GPA of 3.5 and above, and to nurse leader candidates exhibiting exceptional achievements in nursing.

AUHS received its chapter's coat-of-arms plaque, which symbolizes the ideals of Sigma and is inscribed with AUHS chapter's name and chartering date and as a symbol of continued commitment to nursing excellence and the society's purposes.

RHO CHI SOCIETY ZETA GAMMA CHAPTER

AUHS Accepted as the 147th Chapter of the Rho Chi Pharmacy Honor Society.

In March 2023, the petition to establish a local chapter of The Rho Chi Society at the American University of Health Sciences, received an affirmative vote by the Society's member chapters. The new AUHS Rho Chi chapter is designated the Zeta Gamma Chapter (the 147th chapter to be established in the society). Rho Chi is an academic honor society for pharmacy students and faculty. The AUHS Rho Chi mentor, Dr. John Schloss, is currently in discussion with Dr. Julie Seeger, Program Manager of the National Office at the University of Michigan, to determine potential dates for the induction ceremony of our student members and steps that need to be taken prior to the ceremony.

AUHS FOUNDATION

All Donations are 100% Tax Deductible

AUHS Foundation is a charitable 501c3 non-profit organization, and all donations are 100% tax deductible to the fullest extent of law.

Take Action and Make a Difference!

“Cultivate Care As A Life-Long Passion”

The AUHS Foundation is a charitable 501c3 and educational non-profit organization. The purpose of the AUHS Foundation is to relieve the suffering of the poor, distressed, and underprivileged through education, research and funding in health sciences: nursing, pharmacy, and biomedical sciences.

At the American University of Health Sciences, our students are able to reach out to various communities in number of ways through those who support the foundation. Our goal in working with our students is through first-hand experience of helping the poor, hungry, and sick, students will be able to establish a life-long passion for care and love for others.

COMMUNITY EVENTS

LAMP UNTO MY FEET is a part of our homeless outreach program where AUHS students wash the feet of the homeless while offering health screening, prayer, and food. This program was started by one of our graduating nursing students, to demonstrate genuine humility and develop true care in our students.

ACTS OF LOVE is one of our largest outreach events. Students, staff and faculty work together to give out groceries to low income and families in-need within the Signal Hill and Long Beach areas. More than 600 families benefited from this event.

YES! JUNIOR NURSING & JUNIOR PHARMACY PROGRAM is where AUHS students become mentors and role-models to various elementary, middle, and high school students in the Signal Hill and Long Beach areas. AUHS students visit these schools and demonstrate some of the activities you carry out as a healthcare professional. They also share how becoming a healthcare professional has changed their lives.

INTERNATIONAL MISSION TRIPS have taken place for the past few years. AUHS nursing students have been active in medical mission trips to reach out to the populations around the globe. Students have completed trips to Vietnam, Jamaica, and most recently Cambodia.

SANTA CAUSE EVENT is AUHS' annual gift giving during the Christmas season for children from low income families. Over 400 toys were given to kids ranging from toddler to 12 years old. Students, faculty and staff work together to make this wonderful event possible.

Support Students Through Scholarships

Contact us at 562-988-2278 about taking part in scholarship programs we can offer our students.

Attend Our Fun(d) Raising Events!

AUHS holds great fun(d) raising events such as Wine & Cheese Nights, Health Fairs, "Raze" Rave Parties and Live concerts. All donations and products purchased at these events are 100% tax deductible to the fullest extent of the law.

Jesus traveled throughout the region of Galilee, teaching in the synagogues and announcing the Good News about the Kingdom. And he healed every kind of disease and illness.

(Matthew 4:23)

MISSION

The Mission of the American Theological University is to bring glory to God by preparing students to be disciples of Christ who focus on serving the needs of the marginalized such as the homeless and the institutionalized by teaching about the Kingdom of God; developing moral, civic, and intellectual virtues through spiritual formation and critical thinking; teaching basic scientific facts about physiology, psychology, and anthropology; and integrating this knowledge through systems thinking and field practice.

VISION

Matthew 4:23 (NLT): "Jesus traveled throughout the region of Galilee, teaching in the synagogues and announcing the Good News about the Kingdom. And he healed every kind of disease and illness." This degree prepares students to follow in Christ's footsteps by bringing healing to the ills of society. SOC 21-1093 The American Theological University (ATHU) is a private institution of higher education approved to operate by the Bureau for Private Postsecondary Education to offer the following programs:

BACHELOR OF CHRISTIAN SOCIAL WELFARE

The ATU Bachelor of Christian Social Welfare (BCSW) provides students the tools to understand the dysfunctions of persons in society and the spiritual formation needed to prepare for professional studies in behavioral interventions within an understanding of the Kingdom of God.

BACHELOR OF MINISTRY

The ATU Bachelor of Ministry (BMin) degree provides students with the spiritual formation and tools needed to disciple, particularly to those who are marginalized by society.
